***Storm Season  
To-Do List  
Are You Prepared?***

- Develop a family plan
- Develop an evacuation plan
- Secure your home: crucial areas to protect include the roof, windows, shutters, doors and garage
- Take care of pets
- Fill gas tanks
- Have a fully charged cell phone
- Protect important documents (medical records, birth certificates, Social Security card, bank records, insurance info, etc.)
- Create a disaster supply kit (medications, keys, cash, flashlights, radio, toiletry items, nonperishable food, water, batteries, first aid kit, toys or games for children, etc.)
