☼ Memorial Fund Established for Stephen Helmer

The Stephen Helmer Memorial Fund has been established at the NNS Employee's Credit Union. Helmer was involved in an accident in the Consolidated Storage Warehouse on September 9 and passed away three weeks later on September 30. Anyone wishing to make donations to the fund may do so at the teller lobby of any NNS credit union branch. The account will be open for 90 days.

Name of Fund: Stephen Helmer Memorial Fund

Account Number: 206742

☼ Becky Stewart Named Director For Fleet Maintenance Programs

Becky Stewart has been named program director, Surface Ship and Submarine Fleet Maintenance. Stewart is responsible for all aspects of naval and commercial surface ship and submarine fleet maintenance from pre-contract through delivery. "Combining our Ship Repair and Submarine Fleet Maintenance businesses, under the leadership of Becky, will maximize both our flexibility and responsiveness to our customers," said Northrop Grumman Newport News President Tom Schievelbein. Prior to this appointment, Stewart served as program director, Ship Repair.

☼ Bateman Dedication Ceremony

Northrop Grumman Newport News held a dedication ceremony October 3, 2002 for the Herbert H. Bateman Virginia Advanced Shipbuilding and Carrier Integration Center. Ceremony participants included Northrop Grumman Newport News President Tom Schievelbein, Newport News Mayor Joe Frank and Mr. Alan Diamonstein, who served as a delegate to the Virginia Assembly for 35 years. The Bateman family was also in attendance.

☼ Extension of Benefit's Policy for Active Duty Reservists

In keeping with the company's support of the military and the fight against terrorism, Northrop Grumman Newport News is extending the period of compensation and benefits for employees who are called to active military duty from one year to 18 months.

☼ Newport News Director Receives National SNAME Award

Michael L. Powell, director of Technology Development for Newport News, has received the Distinguished Service Award from the Society of Naval Architects and Marine Engineers (SNAME). Powell has been involved with the Hampton Roads Section of SNAME for many years, and he was chairman from 1995-96. At the national level Powell served as chairman of the Executive Control Board of the National Shipbuilding Research and as chairman of the Ship Production Committee.
