✿ \$1000 Visa Gift Card winner announced!

Leonard Leyden from department E87 is the newest Opportunity for Improvement \$1000 Visa Gift Card Winner. Leyden's name was selected from 1,117 participants who submitted more than 973 OFIs March 11 through March 29. Leyden is on the left next to Yasmine Robinson from the OFI program. Congratulations!

✿ OFI database available online

Effective immediately, all Northrop Grumman Newport News employees can verify the status of their OFIs online. Using the link

<http://yardnet/divisions/qualtech/OFI/index.stm> employees can also:

- Conduct a key word search on existing OFIs
- View approved and implemented ideas submitted by other departments
- Obtain a copy of the OFI Coordinator Listing

For more information or helpful tips, contact Yasmine Robinson at 0-2428.

All users must have Access XP to view database.

✿ Northrop Grumman Newport News Annual College Day

Northrop Grumman Newport News Annual College Day will be held April 24 from 2 p.m. - 5:30 p.m. in building 520, 6th floor. College and university counselors, professors, and other representatives will discuss undergraduate admission, transfer credits and continuing education, graduate programs, and information regarding programs of study. Applications, catalogs, summer and fall schedules will also be available. Shipyard representatives will be available to answer questions and provide information regarding educational opportunities at the shipyard. The colleges and universities represented at College Day are approved for the company's tuition reimbursement. They are: Strayer University, Averett University; Bluefield College; Christopher Newport University; College of William & Mary; Florida Institute of Technology; George Washington University; Regent University; Penn State (Acoustics Program); St. Leo University; Thomas Nelson Community; Tidewater Community College; Troy State University; Virginia Tech; Virginia Wesleyan; and University of Virginia.

✿ Northrop Grumman Newport News Web site

Effective immediately, all sector Internet homepages are being redirected to the Northrop Grumman Internet homepage. Visitors will be directed to Northrop Grumman's homepage of <http://www.northropgrumman.com/> and will be able to select a sector. A sector's address can be bookmarked for future use. The Northrop Grumman Newport News Web address has changed to <http://www.nn.northropgrumman.com>. The nns.com address continues to work for now but will be phased out in the near future.
