

Kelly Home Care Services

Kelly Home Care Services (KHCS) has worked with Northrop Grumman to offer a ten percent (10%) discount off of their standard rates for home care services. This offer is extended to all active and retired employees and family members. Family members are defined as sons, daughters, parents and grandparents of active and retired employees.*

Kelly Home Care Services provides highly personalized care and companionship for clients up to 24 hours a day, seven days a week. Whether you need short-term help or long-term solutions, Kelly Home Care Services can fill your service needs.

The following are some examples of the types of services they provide:

- Assistance with bathing and dressing
- Preparation of nutritious meals
- Help with walking and getting in and out of bed
- Medication reminders
- Personal care
- Housekeeping
- Conversation and companionship
- Transportation to doctors or for shopping and other errands

KHCS receives the vast majority of reimbursement for services provided from insurance companies, Medicaid and directly from individuals. **KHCS does not provide any services that are reimbursed by Medicare.**
